SUBJECT: Additional Information for Stennis Committee

1. In the course of his testimony on 12 March 1963 the DCI promised the Stennis Committee various items of information. The attached memoranda attempt to meet this commitment, with one exception. The exception is Soviet order of battle in Cuba and Cuban order of battle "as it was furnished to our troops as of 22 October, 30 October, and as of now" (transcript, p. 627). This information is available only from DIA.

2. The following is the key to the pages of the transcript to which the attachments refer:

- Page 604 - Cuban Imports of POL from Countries Receiving US Aid
- Page 612 - Early Refugee Report Describing Soviet Ballistic Missiles in Cuba
- Page 618 - Unloading of Soviet Ships in Cuba under "Secure Conditions" since November 1962
- Page 627 - Epidemic of Gastroenteritis in Cuba
628
- Page 631 - Employment of Soviet Equipment Increments in Cuba
